

# INTERNATIONALE COURSING CLUB CUP ELITE

Dear Sir or Madam,

As convinced sighthound fans, and organisers of coursing events, we thought it would be a good idea to organize a competition involving several European countries and which would give all involved a chance to glimpse other realities, and to exchange ideas, tips, problems, friendships and, why not, emotions.

The trophy will be called INTERNATIONAL COURSING CLUB CUP ELITE.

In the hope the event would stimulate all those who don't leave their national boundaries often to participate in events further afield.

An occasion to meet new friends, to see close-up breeds which are not well known in other countries, to see our sighthound world unified at a European level and not as distinct local events.

To participate each contender would need to race in, at least, three different international coursing events in three different countries. FCI rules will be applied.

The final event, and prizegiving, will take place in Turin Italy on the 1st and 2nd of November 2008.

## INTERNATIONAL TROPHY

Organized by the clubs from the following countries:

Italy - France - Belgium - Netherlands - Switzerland - Germany - Austria  
Slovakia - Czech Republic

Best Sighthound trophy (by race and by sex), mixed for less common races.

All you need to do to participate for the trophy is to take part in the international coursing events organized by the various clubs, from the various nations. The best three results obtained in the following events (in three different nations), plus the results obtained in the finals, held in Turin (Italy), between the 1st - 2nd November 2008, will be used for the final score.

(FCI rules will be applied).
